The Prize Awarded!

Anheuser-Busch Brewing Co.
Wins the Prize at the
World's Fair with their
"EAGLE" Brand Beer.

ST. LOUIS, Oct. 28, 1903.
HONOLULU, H. I.

Dear Sirs:—We have mailed you a copy
of the *Globe-Democrat* announcing the great
victory won by the ANHEUSER-BUSCH ASSO-
CIATION with their "EAGLE" Brand of
Beer.

(Special Despatch to *Globe-Democrat*.)

World's Fair, Chicago, Ill., Oct. 28.—
No award has ever been made so gratifying
to St. Louis people as the one given to-day by the
Columbian jury of the World's Fair, consisting of
connoisseurs and chemists of the highest rank,
to the Anheuser-Busch Brewing Association.
By methods of unrivalled business
enterprise, and by using the best material
produced in America and Europe, exclud-
ing corn and other adulterations or surro-
gates, the different kinds of the Anheuser-
Busch beer have become the favorites with
the American people, and have now con-
quered the highest award in every particu-
lar, which had to be considered by the
Columbian jury. The high character of
the award given to-day by the jurors will
be better understood when it is known that
the different beers exhibited by the An-
heuser-Busch Brewing Association had to
compete with hundreds of the most excel-
lent displays of other brewers. The fact
that no other concern has received so
many points for the various essential qual-
ities of good beer confirms anew the firm's
reputation as the leader of all American
beers, and Mr. Adolphus Busch can feel
proud over this result so justly merited.

The above is a facsimile of the
Label of the "EAGLE" Brand which took
the Prize.

In ordering this Beer be sure to
ask for the "EAGLE" Brand.

many citizens, mostly women and
children, that as the following day
was the birthday anniversary of
King Kalakaua, large numbers of
natives from adjoining districts
would be here and an outbreak
might occur.

Very respectfully,

THURSTON TALKS.

ALTOONA, Penn., Jan. 20.—Minister
Thurston of Hawaii said to an As-
sociated Press reporter this morning
that he knew nothing of the reported
demand of Minister Willis on
President Dole for a return of all
the correspondence on the subject
of the restoration of the Queen, as
brought by the steamer Monowai to
San Francisco last night, therefore
he declined to comment on it.

Chicago, Jan. 19.—Minister Lorrin
A. Thurston, from Honolulu, passed
through the city en route to Wash-
ington this morning. He says he
bears important despatches from his
Government to the United States
Government.

In reply to a question Thurston
said: "When I left Honolulu one
week ago last Saturday Minister
Willis was still persona grata, and I
can add there never was nor will
there be a contemplated movement
on the part of President Dole and
the Government to furnish Willis
with his passports. The United
States is not liable to be sued for
damages by the almost friendless
and impecunious deposed Queen.
She never will be restored, and I
doubt whether she will have adher-
ents enough in a short time, at the
present rate of desertion, to make
even a shabby showing of royalty."

REVOLT IN SAMOA.

Tamasese Proclaimed King by the
Native Rebels.

APIA, Samoa, Jan. 3.—News has
just reached Apia that the natives
of Aana and Atua districts have re-
belled and proclaimed Tamasese
King of Samoa. This Tamasese is
the son of the former King, and has
a considerable following. The peo-
ple of Savaii have declared on the
side of King Malietoa, and are con-
gregating for the purpose of sup-
porting him. The Chief Justice,
President and Consuls are to meet to-
morrow to consider the situation.
The Consuls are so impressed with
the gravity of affairs that they are
sending by the Monowai requests
for warships.

Immediately after the departure
of the British warship *Rapid* the
natives of Aana and Atua districts
began to show signs of disaffection,
and held large meetings to give ex-
pression to their feelings.
The feeling is very strong here
against the conduct of the United
States Government in not intend-
ing to send a Land Commissioner to re-
place Mr. Chambers, who goes home
in March. The settlement of the
land question is the only practical
good likely to come out of the Ber-
lin treaty, and this will be retarded
if not stopped, unless steps are taken
to supply an American Commission-
er to perfect the work.

The measles epidemic is now en-
tirely gone. The number of deaths
is estimated at 1,000.
